Frequently Asked Questions

Are there any LIVE sessions with the University faculty in this program?

This program includes live sessions that will be conducted by Course Leaders.

What is the role of the Course Leader? Are they University faculty?

Course Leaders are Industry Practitioners/ Subject Matter Experts who help with doubt clearing, cover specific topics deeper and share real-world examples wherever needed. They are not faculty of the University.

Who grades/ gives inputs on the assignments and projects?

The assignment grading frameworks are meticulously crafted by UMass Global faculty, ensuring consistent and rigorous evaluation standards. Your assignments will be reviewed by the Emeritus Grading Team, a group of highly experienced and qualified professionals. To maintain the highest academic standards, final approval of all grades is granted by UMass Global faculty.

Is there a qualifying mark/ grade to get the final certification in this program?

Participants have to score a minimum of an A, B, or C grade on each assignment to pass the course. To successfully complete this program, participants must consistently maintain a satisfactory academic standing, an aggregate of B grade or 3.00GPA.

Who is the faculty for the live online sessions/doubt-clearing sessions?

Live sessions will be conducted by Course Leaders, who have real-world experience in the domain. Doubt-clearing sessions are carried out by the Course Leaders, as they monitor individual student progress.

Do I get the Alumni status of the University on completion of this course

This program offers you UMass Global alumni status access, which allows you to network with other UMass Global alumni and a host of other benefits. However, it is important to note that some of these benefits may be tailored to the specific needs and interests of UMass Global alumni in the United States.

Will Emeritus/ University help with placement services?

Emeritus offers career services in this program. UMass Global is not involved in any way in career services. Emeritus & UMass Global make no commitments regarding job placements or career progression.

What if I don't find the program appropriate for me after starting the sessions? Can I seek a refund?

Building upon a rich heritage of +65 years, UMass Global has consistently championed the education of working adults. This commitment to learning has earned the university an exceptional reputation, with 91% of UMass Global alumni wholeheartedly recommending the program to their friends, family, and colleagues. We strongly encourage our learners to complete the course in its entirety to fully grasp the concepts and reap the full benefits of the program. However, if circumstances necessitate a pause in your learning journey, you may initiate a refund request within 15 days of the last date of admission. For requests submitted within this period, a refund of 80% of the program fees paid will be processed. Requests received between 15 and 30 days after the last date of admission will be eligible for a refund of 50% of the program fees paid. Please note that after 30 days, the program fee becomes non-refundable.

How long will I have access to the learning materials?

You will have access to the online learning platform, all the videos, and program materials till the end of the program. Access to the learning platform is restricted to registered participants as per the terms of agreement.

Note: This Course Summary is provided only for your convenience. You are advised to refer to the complete course brochure for more information.

Why Earn an MBA from a Global University?

Many MBA graduates go on to lead global businesses and pursue ambitious transformations.

Now, it's your turn.

- Succeeding in top businesses across industries needs an exceptional interdisciplinary mix of skills. Expand your financial, marketing, business, and data skills to drive business decisions.
- The international business landscape is evolving. Craft winning business strategies and meet strategic goals with the bigger picture in mind.
- Advance your career and expand your influence. Unlock data-driven strategic moves to deliver net growth at scale.
- Refine your outlook and think of business problems and solutions on a global scale. Global business problems need an international understanding of markets, culture, and politics.

91%

of employers hired MBA graduates over other graduates across all industries in 2022.
